Bicara Sedikit Bahasa Indonesia

Instead of telling you what my career objectives are, I want to tell you how I can meet your objectives!

- I am innovative and think "out of the box"
- I am entrepreneurial
- I have management experience
- I have marketing experience
- I am well organized
- I can get your job done!
- I am multi-cultural
- I keep my "eye on the ball" - your objectives
- I am a quick learner

PROFESSIONAL EXPERIENCE

Project Manager, SatNetCom, 2005

SatNetCom is a telecommunications company. I lead a small research team developing a proposal to an international NGO for a special project to bring the internet and relevant medical and economic content to rural Indonesia.

Lead team of 3 in researching current and past programs.

- Writing evaluations of past and existing program strengths and weaknesses
- Researching statistics on literacy, computer literacy, internet usage

Marketing Manager, Embargo, 2004-5

Embargo is part of the Double 6 Entertainment Group which is Bali's largest night club group with several properties under management. As Marketing Manager I managed the development of and placed all advertising for the club as well as helped to develop all promotional events and product tie-ins.
